Big Science Business Forum 2020 will be the second edition of a one-stop-shop for European companies and other stakeholders to learn about Europe's Big Science organisations' future investments and procurements worth billions of euros. The forum will offer you a chance to:

- Learn about procurement opportunities in the coming years, within a wide range of business areas and technologies.
- Meet representatives from Europe's Big Science organisations and their key suppliers and technology experts.
- Network and establish long lasting partnerships via business-to-business meetings (B2B), business-to-customer meetings (B2C) and in the open exhibition area.
- Get insight into procurement rules, IPRs, and how businesses can interplay with the Big Science market.
- Take part in the new SME Track, designed to boost the visibility of high-tech SMEs in the Big Science market.
- Explore business opportunities in the new Technology Transfer Track.

SEE YOU IN GRANADA!
